TALENT HUBS & THE NATIONAL TALENT NETWORK

THE ANNUAL CONVENING **SPONSORSHIP**

DECEMBER 4-7, 2023
MOBILE, ALABAMA

TALENT LIVES **HERE.**

CivicLab is hosting the Annual Convening of Talent Hubs and the National Talent Network on **December 4-7, 2023** at the **Renaissance Mobile Riverview Plaza Hotel in Mobile, AL.**

Each year, we convene **one of the largest gatherings of local, regional, and state-level cross-sector partnerships focused on postsecondary education.** The event provides a unique opportunity for leaders across the United States to connect with each other, learn from exemplary partnerships, and hear from national leaders on ways to improve postsecondary ecosystems.

This year's convening will feature:

- Pre-day institutes focused on regional systems-building and designing equitable postsecondary policies.
- Keynote speakers presenting the latest research and national exemplars for postsecondary and employer partnerships.
- A unique "Big Bet" breakout session featuring several bold initiatives that seek to tackle America's most complex social issues.
- Feature presentations focused on the transformative work happening throughout Alabama, including the nation's first Predominately Black Community College network and a new effort underway to create regional college attainment networks throughout the entire state.

This event would not be possible without the generous support of sponsoring organizations. Sponsorship allows us to keep registration costs affordable for those our partnership serves. **Please consider sponsoring our annual convening** at one of the sponsorship levels below.
